## Love is mystery

A whisper in the quiet night, a sudden spark, a guiding light  
No map to follow, no clear sign, just two souls starting to align  
It wasn't planned, it wasn't sought, a feeling deeper than we thought.

Like morning mist, it softly came, a gentle touch, a burning flame  
No words to capture what we feel, a silent promise, true and real  
It just appeared, a wondrous grace, a perfect fit, in time and space.

Don't ask "what is love?", don't ask "why we love?"  
It's a mystery sent from above  
Don't seek a reason, don't try to define  
Love just is, a truth divine.  
It's the unspoken truth, the air we breathe  
A silent language, we believe.

We try to grasp it, hold it tight, explain its power, day and night  
But like the wind, it slips away, if we demand it to obey.

It lives in laughter, lives in tears, it conquers all our doubts and fears  
A force unseen, a gentle pull, making our broken spirits whole.

Don't ask "what is love?", don't ask "why we love?"  
It's a mystery sent from above  
Don't seek a reason, don't try to define  
Love just is, a truth divine.  
It's the unspoken truth, the air we breathe  
A silent language, we believe.

It simply is...  
It simply is...

Love just is.  
The unspoken truth.  
No need for reasons, no need to know, the why, the how, the when  
Just this perplexing, beautiful love, again and again.

## 愛情是神秘的

靜夜裡的低語，突如其來的火花，一盞指路明燈  
沒有地圖可循，沒有明確的標誌，只有兩個靈魂開始相遇  
這不是計畫好的，也不是刻意追求的，這是一種比我們想像的更深厚的感覺。

如同晨霧，它輕柔地降臨，輕柔的觸碰，燃燒的火焰  
無言以表達我們的感受，一個無聲的承諾，真實而真實  
它就這樣出現，一種奇妙的優雅，一種完美的契合，  
在時間和空間中。

別問“愛是什麼？”，別問“我們為什麼愛？”  
這是上天賜予的奧秘  
別追尋理由，別試圖定義  
愛就是愛，是神聖的真理。  
它是不言而喻的真理，也是我們呼吸的空氣  
我們相信，它是無聲的語言。

我們日夜試圖抓住它，緊緊抓住它，闡釋它的力量。  
但就像風一樣，如果我們要求它服從，它就會悄悄離去。

它存在於歡笑中，也存在於淚水中，它戰勝了我們所有的  
疑慮和恐懼。  
一股無形的力量，一股溫柔的牽引，將我們破碎的  
心靈撫平。

別問“愛是什麼？”，別問“我們為什麼愛？”  
這是上天賜予的奧秘  
別追尋理由，別試圖定義  
愛就是愛，是神聖的真理。  
它是不言而喻的真理，也是我們呼吸的空氣  
我們相信，它是無聲的語言。

就是這樣...  
就是這樣...  
愛就是這樣。  
不言而喻的真理。  
無需理由，無需知曉，為何，如何，何時  
只是這令人困惑的，美麗的愛，一次又一次。
