不用掛念

嗨 Sadrick
 在諾丁漢的日子黑夜裡
 生活從來都不容易
 星空下的夢想飄逸
 為自己活下去努力

微風吹過異鄉的街道
 故鄉的影子遙不可及
 穿梭在人群中尋找
 心底溫暖從不間斷

不用記掛著香港
 諾丁漢也能找到方向
 闖過風雨迎接曙光
 為自己生活釋放

親愛的 Sadrick
 街燈下孤獨影隨行
 微笑掩飾內心的傷
 希望在前方召喚你
 夢想再遠也得奔赴

偶爾感覺一下
 心中的勇氣從不枯萎
 為愛為夢堅持不悔
 每一步都寫下回憶

Don't worry

Hi Sadrick
 In the days and nights of Nottingham
 life is never easy
 Dreams under the stars are elegant
 Efforts to survive for oneself

The breeze blows through the streets of a foreign land
 The shadow of my hometown is far away
 Searching through the crowd
 The warmth in my heart never stops

Don't worry about Hong Kong
 Nottingham can also find directions
 Break through the storm and welcome the dawn
 Free for your own life

Dear Sadrick
 Lonely shadows walking under the street lights
 The smile hides the hurt in the heart
 Hope is calling you from the front
 No matter how far your dream is, you still
 have to run towards it
 Sometimes I feel tired
 The courage in my heart never withers
 Stick to love and dreams without regrets
 Write memories every step of the way
