## Sharing the Same Moon

Pop

08 Feb, 2025

Sadrick's living in Nottingham town  
Life ain't easy when you're feeling down  
But he's brave and he moves on strong  
In this world that's right or wrong

Walking streets with shadows tight  
Hope in pockets  
Stars in sight  
Dreams as big as the river flows  
A better life where the courage grows

We're sharing the same moon tonight  
Lighting up the sky so bright  
Wishing you a good life  
All right  
Underneath that silver light

Challenges come and they will go  
But the heart knows what it must show  
Grit and passion  
Tales untold  
Strength in dreams and hearts of gold

Clouds may cover  
Rain may fall  
But remember  
Stand up tall  
Look up high  
You'll see the glow  
A reminder  
You're not alone

We're sharing the same moon tonight  
Lighting up the sky so bright  
Wishing you a good life  
All right  
Underneath that silver light

## 一樣的月亮

- Sadrick住在諾丁漢鎮  
當你情緒低落時，生活並不容易  
但他很勇敢，堅強地前行  
在這個世界上是對還是錯  
走在陰影緊密的街道上  
希望裝在口袋裡  
星星在眼前  
夢想如流水般偉大  
美好生活，勇氣成長

今晚我們共享同一個月亮  
把天空照得那麼明亮  
祝你生活美好  
好的  
那銀光之下

挑戰來了又會走  
但內心知道它必須表現什麼  
勇氣和激情  
不為人知的故事  
夢想的力量與金子般的心

雲可能會覆蓋  
可能會下雨  
但請記住  
站得高高的  
抬頭看高處  
你會看到光芒  
一個提醒  
你並不孤單

今晚我們共享同一個月亮  
把天空照得那麼明亮  
祝您生活愉快  
好的  
那銀光之下
