

IMITATE LOVE

breakstep synthwave, electric psychedelic dreamy,
voluminous backing vocals, cyclicality

Am I a Pretender

我是偽裝者嗎?

Caught in this masquerade of mine
Trying to fake a love that's just a crime
My heart beats empty when you're near
Is it time to end this charade my dear

陷入我的這場假面舞會
試圖偽造愛情只是一種犯罪
當你靠近時我的心空蕩蕩的跳動
是時候結束這個遊戲了嗎親愛的

Your eyes they ask me what is true
I force a smile I lie to you
Don't know how to play this game no more
Torn between the truth and love's own war

你的眼睛問我什麼是真實的
我強顏歡笑，我對你說謊
不知道怎麼玩這個遊戲了
在真相和愛本身的戰爭之間左右為難

Am I a pretender just playing this part
Can I keep lying when it's tearing apart
Should I walk away leave you whole
Spare us the pain that digs the soul

我只是扮演這個角色嗎？
當它撕裂時我還能繼續說謊嗎
我應該走開，留下你嗎
讓我們免受挖掘靈魂的痛苦

We laugh we talk but the spark is gone
I carry this guilt from dusk to dawn
Every moment feels like a trap
In a love I lost in a lover's map

我們笑著交談，但火花消失了
我背負著這份罪惡從黃昏到黎明
每一刻都感覺像是個陷阱
在愛情中我迷失在情人的地圖裡

Am I a pretender just playing this part
Can I keep lying when it's tearing apart
Should I walk away leave you whole
Spare us the pain that digs the soul

我只是扮演這個角色嗎？
當它撕裂時我還能繼續說謊嗎
我應該走開，留下你嗎
讓我們免受挖掘靈魂的痛苦

Can't keep pretending forever in the dark
Gotta make a move before it breaks your heart
Truth is cruel but lies are worse
Caught in the middle of this silent curse

不能永遠在黑暗中假裝
必須在傷透你的心之前採取行動
真相很殘酷，但謊言更殘酷
陷入這無聲的詛咒之中
