

# IMITATE LOVE

lofi, smooth, r&b, mellow, male vocal  
**I'm just a backup lover**  
25 Feb, 2025

Genki Creation

## 我只是後備情人

She calls his name while she's sleeping late  
I'm just a shadow in his haunting wake  
A fleeting thought in a moonlit lake  
Her whispered ghost that I can't shake

她在睡得很晚的時候呼喚著他的名字  
我只是他揮之不去的陰影中的一個影子  
月光下的湖水中一閃即逝的思念  
她低聲細語的幽靈，我無法擺脫

Candlelight flickers but cannot hide  
The love she holds that ain't for my side  
With every touch her heart's untied  
To a memory that makes me slide

燭光閃爍卻無法隱藏  
她所持有的愛不屬於我這邊  
每一次觸碰，她的心都解開了一  
一段讓我滑倒的記憶

She never loved me I'm a stand-in role  
A faded script in her shattered soul  
I see his name on her lips control  
In every dream she lets unfold

她從來沒有愛過我 我只是個替身  
她破碎的靈魂裡有褪色的劇本  
我在她的嘴唇上看到他的名字  
在她展開的每一個夢中

I hold her close but still so far  
Her memories burn like a fallen star  
I'm a borrowed song on a broken guitar  
Playing chords of a love bizarre

我緊緊地抱住她，但仍然很遠  
她的記憶像墜落的星星一樣燃燒  
我是一首用破吉他借來的歌  
彈奏奇異愛情的和弦

She wears his scent like a loyal bride  
His ghost in bed where I've tried  
A silent witness to the tears I've cried  
In a love where I've been denied

她身上散發著他的香氣，就像一位忠誠的新娘  
他的鬼魂在我試過的床上  
默默見證我流下的淚水  
在我被拒絕的愛情中

I see her smile but it's not for me  
A fleeting glance of what love should be  
Lost in a shadow she cannot see  
Living a lie that's killing me

我看到她的微笑，但這不適合我  
轉瞬即逝的一瞥 愛應該是什麼  
迷失在她看不見的陰影中  
活在謊言中，這讓我喪命
