

IMITATE LOVE

indie-pop soulful dreamy psychedelic, beautiful female vocals
Sad Love
25 Feb, 2025

Genki Creation 

愛永不會恆久

I saw your smile it lit the night
Felt like you could turn wrong to right
But hidden in your eyes so bright
A love that vanished out of sight

我看到你的笑容照亮了夜晚
感覺你可以把錯誤轉為正確
但在你的眼睛裡隱藏著如此明亮的
愛消失在視線之外

You spoke in whispers soft as rain
Promises that eased the pain
But behind the words the lies remain
A heart that knows only to feign

你的低語聲如雨般輕柔
承諾減輕了痛苦
但言語背後仍然是謊言
一顆只知道偽裝的心

Love's mask fell and shattered fast
The dreams we spun they couldn't last
Falling for a ghost from the past
A love that's nothing but a cast

愛的面具迅速掉落並破碎
我們編織的夢想無法持久
愛上了來自過去的幽靈
愛只不過是一個演員

You took my hand on midnight streets
Your touch felt like a calm heartbeat
But empty gestures and deceit
Made every moment bittersweet

你在午夜的街道上牽著
我的手你的觸摸感覺像平靜的心跳
但空洞的手勢和欺騙
讓每一刻都苦樂參半

What's left of love that wasn't true
A faded picture torn in blue
Learning lessons nothing new
A harsh goodbye a last adieu

愛情還剩下什麼，
那不是真實的一張褪色的照片被藍色撕裂
學習教訓，沒什麼新鮮的
嚴酷的告別，最後的告別

Love's mask fell and shattered fast
The dreams we spun they couldn't last
Falling for a ghost from the past
A love that's nothing but a cast

愛的面具迅速掉落並破碎
我們編織的夢想無法持久
愛上了來自過去的幽靈
愛只不過是一個演員
