愛永不會恆久

I met you on a Monday night
You held me close and felt so right
But sparks they fade and fires die
A fleeting dream beneath the sky

我在周一晚上遇見了你
你緊緊地抱住我，感覺如此美好
但火花會消逝，火焰會熄滅
天空下轉瞬即逝的夢

Loving you was like a flash
A burst of light within the ash
But flames extinguish in the breeze
And hearts like ours are hard to please

愛你就像一道閃電
灰燼中爆發出光芒
但火焰在微風中熄滅
像我們這樣的心很難取悅

Love never last
It's just a spark
We fooled ourselves dancing in the dark
Once the fire's gone
Goodbye to dreams
Love disappears or so it seems

愛永遠不會長久
這只是一個火花
我們欺騙自己在黑暗中跳舞
一旦火滅了
告別夢想
愛情消失了或看起來如此

We wrote our names on mirrored glass
Believed in what could never last
A story written in the stars
That faded like the passing cars

我們把名字寫在鏡面玻璃上
相信永遠不會長久的事
寫在星星上的故事
就像過往的汽車一樣消失了

I've seen the ashes on the ground
Where love once lived but now is found
In memories that feel like pain
A shadow dance of endless rain

我看到地上的灰燼
愛曾經存在過但現在卻被發現的地方
在痛苦的回憶中
無盡雨影舞

Love never last
It's just a spark
We fooled ourselves dancing in the dark
Once the fire's gone
Goodbye to dreams
Love disappears or so it seems

愛永遠不會長久
這只是一個火花
我們欺騙自己在黑暗中跳舞
一旦火滅了
告別夢想
愛情消失了或看起來如此
