燃燒的黎明

Love's like the dawn when it starts to flame
Bright and intense never stays the same
Whispered dreams in the morning's embrace
Waking up feels like heaven's trace

愛就像黎明時開始燃燒
明亮和強烈永遠不會保持不變
在清晨的懷抱中低語夢想
醒來感覺就像天堂的痕跡

Golden kissed skies as your heart ignites
Promises flow in the early light
Eyes like embers reflecting skies
Every sunrise a sweet surprise

當你的心被點燃時，金色的親吻天空
承諾在黎明時流淌
眼睛如餘燼反射天空
每一個日出都是甜蜜的驚喜

Burning brighter with each new day
Our love's a dawn never fades away
Lit up skies with hearts that collide
In this fire we'll forever reside

每一個新的一天都燃燒得更明亮
我們的愛是黎明永不褪色
碰撞的心照亮了天空
在這場大火中我們將永遠居住

Phantom stars fade in your warm glow
Morning's warmth where shadows can't go
Dancing softly in hues of gold
Moments like these never get old

幻影星星在你溫暖的光芒中消失
清晨的溫暖，影子無法去處
在金色的色調中輕柔地舞動
這樣的時刻永遠不會過時

Burning brighter with each new day
Our love's a dawn never fades away
Lit up skies with hearts that collide
In this fire we'll forever reside

每一個新的一天都燃燒得更明亮
我們的愛是黎明永不褪色
碰撞的心照亮了天空
在這場大火中我們將永遠居住

Caught in the blaze where time stands still
Love that captures the quiet thrill
Every heartbeat echoes the fire
Setting horizons ever higher

陷入時間靜止的大火中
愛捕捉安靜的刺激
每一次心跳都與火焰相呼應
設定更高的視野
