Ten thousand years love

13 Jul, 2025

Dust motes dance in the sun's fading gleam
Ten thousand years, a forgotten dream
Cities crumble, oceans softly sigh
But in my heart, your image doesn't die

Oh, ten thousand years, the seasons endlessly turn
A silent promise, forever I burn
My love for you, a constant, steady flame
Through all the ages, whispering your name

Stars have shifted, constellations rearranged
The very fabric of the world has changed
New melodies arise, old stories fade to gray
But my devotion strengthens day by day

Oh, ten thousand years, the seasons endlessly turn
A silent promise, forever I burn
My love for you, a constant, steady flame
Through all the ages, whispering your name

They say that time erases every trace
But some connections find eternal space
Beyond the boundaries of mortal sight
My love for you, an everlasting light

Oh, ten thousand years, the seasons endlessly turn
A silent promise, forever I burn
My love for you, a constant, steady flame
Through all the ages, whispering your name

Ten thousand years, and still, my love is true
Forever reaching, forever bound to you
Unchanged, unbroken, in the endless flow
My heart remembers, a love that won't let go

一萬年的愛

塵埃在夕陽的餘暉中飛舞
一萬年，一場被遺忘的夢
城市崩塌，海洋輕聲嘆息
但在我心中，你的身影永不消逝

哦，萬歲歲月，四季無止盡地變換
無聲的承諾，我永遠燃燒
我對你的愛，如一團恆久不變的火焰
穿越歲月，輕聲吟唱你的名字

星辰變遷，星座更迭
世界的結構已然改變
新的旋律湧現，舊日的故事褪色成灰
但我的虔誠卻與日俱增

哦，萬歲歲月，四季無止盡地變換
無聲的承諾，我永遠燃燒
我對你的愛，如一團恆久不變的火焰
穿越歲月，輕聲吟唱你的名字

都說時間會抹去一切痕跡
但有些連結卻能找到永恆的空間
超越凡人眼光的界限
我對你的愛，是永恆的光芒

哦，萬歲歲月，四季無止盡地變換
無聲的承諾，我永遠燃燒
我對你的愛，如一團恆久不變的火焰
穿越歲月，輕聲吟唱你的名字

一萬年，我的愛依舊真摯
永遠延伸，永遠與你相連
不變，不曾破碎，在無盡的流淌中
我心銘記，那份不離不棄的愛
