Time of love

13 Jul, 2025

Sunrise paints the window pane, another day begins to bloom
I see your sleeping face, chasing away the morning gloom
Every breath you take, a silent rhythm, soft and low
In these quiet moments, love begins to grow

Footsteps on the kitchen floor, the scent of coffee fills the air
A gentle touch upon my arm, a feeling beyond compare
We share a smile, a knowing glance, no words we need to say
Just being here beside you, brightens up my day

Oh, time is love, a treasure we hold
More precious than silver, more valuable than gold
Every second, every minute, every hour that we spend
Woven threads of tenderness, a love that has no end
Time is love, it's true, in all we say and do
Time is love, for me and you

Through busy days and hurried nights, the world can pull us far
But a simple text, a whispered word, reminds me where you are
The patience that you show me, when I stumble and I fall
It's in these quiet kindnesses, I give my heart and all

The way you listen to my dreams, and calm my anxious mind
A steady hand to guide me, the truest love I find
We build our future, brick by brick, with laughter and with tears
And every shared experience, conquers all our fears

Oh, time is love, a treasure we hold
More precious than silver, more valuable than gold
Every second, every minute, every hour that we spend
Woven threads of tenderness, a love that has no end
Time is love, it's true, in all we say and do
Time is love, for me and you

It's not just grand gestures, or promises so grand
It's in the quiet moments, a gentle, guiding hand
The years may pass, and seasons change, but one thing will remain
The love we build with time, through sunshine and through rain

Oh, time is love, a treasure we hold
More precious than silver, more valuable than gold
Every second, every minute, every hour that we spend
Woven threads of tenderness, a love that has no end
Time is love, it's true, in all we say and do
Time is love, for me and you

Time is love... our love...
Forever true...
Time is love.

愛的時光

朝陽染紅窗玻璃，新的一天開始綻放
我看見你熟睡的臉龐，驅散清晨的陰霾
你的每一次呼吸，都是無聲的韻律，輕柔而低沉
在這些靜謐的時刻，愛開始滋長

廚房地板上的腳步聲，空氣中瀰漫著咖啡的香氣
輕輕觸碰我的手臂，一種無與倫比的感覺
我們相視一笑，心照不宣，無需言語
只要在你身邊，我的一天就明亮起來

哦，時間就是愛，是我們珍藏的寶藏
比銀子更珍貴，比金子更珍貴
我們度過的每一秒，每一分鐘，每一個小時
編織出溫柔的絲線，一份永無止境的愛
時間就是愛，千真萬確，存在於我們所說的一切和所做的一切之中
時間就是愛，對我和你來說

忙碌的白天和匆忙的夜晚，世界可以把我們拉得很遠
但一條簡單的短信，一句悄悄話，讓我想起你在哪裡
當我跌跌倒地時，你給予我的耐心
正是在這些默默的善意中，我奉獻了我的心和一切

你傾聽我的夢想，撫慰我焦慮的心靈
一隻堅定的手指引我，是我找到的最真誠的愛
我們用歡笑和淚水，一磚一瓦地建構著我們的未來
每一次共同的經歷，都戰勝了我們所有的恐懼

哦，時間就是愛，是我們珍藏的寶藏
比銀子更珍貴，比金子更珍貴
我們度過的每一秒，每一分鐘，每一個小時
編織出溫柔的絲線，一份永無止境的愛
時間就是愛，千真萬確，存在於我們所說的一切和所做的一切之中
時間就是愛，對我和你來說

這不僅是宏大的姿態，或宏大的承諾
而是在靜謐的時刻，溫柔的指引之手
歲月流逝，季節更迭，但有一件事將永存
我們與時間、陽光和雨水共同建構的愛

哦，時間就是愛，是我們珍藏的寶藏
比銀子更珍貴，比金子更珍貴
我們度過的每一秒，每一分鐘，每一個小時
編織出溫柔的絲線，一份永無止境的愛
時間就是愛，千真萬確，存在於我們所說的一切和所做的一切之中
時間就是愛，對我和你來說

時間就是愛...我們的愛...
永遠真實...
時間就是愛。
