Love is weather

Sunrise hues, a gentle breeze, that's how it started, you and me.
Clear blue skies, a summer's day, nothing could go wrong along the way.
Laughing freely, hand in hand, walking through this promised land.

Love is like the weather, changing all the time.
Sunshine bright and warm, a feeling so sublime.
Stormy clouds will gather, bringing wind and rain,
But after every downpour, the sun will shine again.

Golden hours, an autumn glow, watching our affection grow.
Comfort found in cooler air, knowing that you'll always care.
A peaceful calm, a steady trust, like gentle showers on the dust.

Love is like the weather, changing all the time.
Sunshine bright and warm, a feeling so sublime.
Stormy clouds will gather, bringing wind and rain,
But after every downpour, the sun will shine again.

Then the fog rolls in so thick, communication starts to trick.
A winter chill, a frosty air, doubts and worries everywhere.
Will the ice begin to break? For goodness sake.

Love is like the weather, changing all the time.
Sunshine bright and warm, a feeling so sublime.
Stormy clouds will gather, bringing wind and rain,
But after every downpour, the sun will shine again.

Through every season, come what may, our love will find a brighter day.
The forecast changes, it is true, but my heart will always beat for you.

愛是天氣

朝陽的色彩，輕柔的微風，一切就這樣開始了，你和我。
湛藍的天空，夏日的陽光，一路平安。
我們歡笑著，手牽手，走過這片應許之地。

愛情就像天氣，瞬息萬變。
陽光明媚溫暖，令人心曠神怡。
烏雲密布，風雨交加，
但每場傾盆大雨過後，陽光總會再次照耀。

昔日時光，秋日餘暉，看著我們情意漸濃。
清涼的空氣中瀰漫著慰藉，因為我知道你始終在乎。
一份寧靜祥和，一份堅定的信任，
如同陣雨輕柔地灑落在塵埃上。

愛情就像天氣，瞬息萬變。
陽光明媚溫暖，令人心曠神怡。
烏雲密布，風雨交加，
但每場傾盆大雨過後，陽光總會再次照耀。

隨後，濃霧瀰漫，溝通開始變得困難。
冬日的寒意，凜冽的空氣，到處瀰漫懷疑和擔憂。
堅冰會開始破裂嗎？我的天哪。

愛情就像天氣，瞬息萬變。
陽光明媚溫暖，令人心曠神怡。
烏雲密布，風雨交加，
但每場傾盆大雨過後，陽光總會再次照耀。

四季更迭，無論發生什麼，
我們的愛終將迎來更燦爛的一天。
天氣預報確實會改變，但我的心永遠為你跳動。
