Love all of you

electro-pop, cinematic, ambient
30 Nov, 2025

I love the you that woke up with the light
A burst of sunshine, making everything right
You pull the curtains, no filter on your smile
We could conquer worlds just for a little while

I love the you that carries all the grey
The heavy sadness that won't simply go away
You hide your face, the shadows start to creep
I wouldn't rush you, I just promise I will keep

No need to fake it, no reason to pretend
The perfect version, that's just a fragile trend
You don't need to be bright for me to see the glow

I love every version, every single shade of you
From the clearest blue, to the dark storm clouds too
I don't just love the joy you bring, the easy part
I love the weight you carry deep inside your heart
I love the whole you, I don't need a part alone.

The world demands a performance of success
But I demand nothing, just your honesty to confess
Let down your guard, let the fragile pieces fall

I love every version, every single shade of you
From the clearest blue, to the dark storm clouds too
I don't just love the joy you bring, the easy part
I love the weight you carry deep inside your heart
I love the whole you, I don't need a part alone.

The whole you... the beautiful you...

愛妳的一切

我愛那個伴著光醒來的你
如同陽光般燦爛，讓一切都變得美好
你拉開窗簾，笑容毫無濾鏡
我們或許可以短暫征服世界

我愛那個背負著所有陰霾的你
那揮之不去的沉重悲傷
你掩面，陰影悄然逼近
我不會催促你，我只承諾我會守護你

無需偽裝，無需掩飾
完美的版本，不過是脆弱的潮流
你無需光芒四射，我仍能感受到你的光芒

我愛你的一切，你的每一個側面
從最澄澈的藍色，到最陰沉的烏雲
我愛的不僅是你帶來的快樂，那些輕鬆的部分
我愛你內心深處的沉重
我愛你的全部，我不需要你的一部分。

世人要求你展現成功
但我什麼都不要求，只求你坦誠相告
放下你的防備，讓脆弱的碎片散落一地

我愛你的一切，你的每一個側面
從最澄澈的藍天，到最陰沉的烏雲
我愛的不僅是你帶來的快樂，
那些輕鬆自在的部分
我愛你內心深處的分量
我愛你的全部，我不需要你的一部分。
完整的你…美麗的你…
