

Genki Creation 

love is weather, weather is love

K-pop winter pop ballad duet, warm and emotional,
30 Nov, 2025

It started with the Sun, a pure and blinding light
A cloudless sky reflecting in your eyes so bright
The Summer warmth where every touch felt free
No need for shade, just you beside of me

Then came the shift, the inevitable turning A sudden chill,
a lesson we were learning
The Grey Sky days when silence filled the room
We battled shadows, lost inside the gloom

They say true love should always stay the same Female:
But our true love knows how to face the rain
A constant climate means we cease to grow

Love is the weather, a forecast we can't write A sudden Storm,
or blinding morning light
We'll take the Thunder, the cold, the heat,
the breeze Finding our beauty in the endless change
with ease From the soft Fog that confuses where we stand
To the strong Wind that helps us understand
You are the Climate, and I'll keep holding your hand

We found the beauty in the quiet Mist and dew The gentle Drizzle
that binds me close to you It's not all fire,
the passion doesn't have to burn But steadfast comfort,
at every sudden turn

The harshest Hail couldn't break our glass
Every season, it teaches us how to last
When the first snowflake falls, we'll watch it drift For every
change in the sky is a loving gift

Love is the weather, a forecast we can't write A sudden Storm,
or blinding morning light We'll take the Thunder,
the cold, the heat, the breeze Finding our beauty in the endless change
with ease From the soft Fog that confuses where we stand
To the strong Wind that helps us understand You are the Climate,
and I'll keep holding your hand

It's the forecast we can't write...
Our ever-changing light...

愛就是天氣 天氣就是愛

一切始於太陽，純淨耀眼的光芒，
萬裡無雲的天空映照著你明亮
的雙眼。夏日的溫暖，每一次觸碰都如此自由，
無需遮蔭，你就在我身旁。

隨後，一切發生了轉變，不可避免的轉折。
突如其來的寒意，是我們正在學習的一課。
在陰沉的日子裡，寂靜籠罩著房間，
我們與陰影搏鬥，迷失在陰霾之中。

人們說真愛應該永遠不變，
但我們的真愛懂得如何面對風雨。
一成不變的氣候意味著我們停止成長。

愛是天氣，是我們無法預測的天氣預報。
無論是突如其來的暴風雨，或是刺眼的晨光，
我們都會欣然接受。
雷鳴、寒冷、酷熱、微風，在無盡的變化中，
我們都能輕鬆地發現彼此的美麗。從迷霧重重、
讓我們迷失方向的輕柔薄霧，到凜冽凜冽、
幫助我們理解彼此的強風，你就是氣候，而我會一直牽著你的手。

我們在靜謐的薄霧和露珠中發現了美，
溫柔的細雨將我緊緊相連。並非只有烈火，激情也不必燃燒，
但堅定的慰藉，在每一個突如其來的變故中，
都給予我們力量。

最猛烈的冰雹也無法擊碎我們的玻璃，
每個季節都教我們如何堅守。
當第一片雪花飄落，我們將靜靜地看著它飄蕩，
因為天空的每一次變化都是一份愛的禮物。

愛是天氣，是我們無法預測的天氣預報。
無論是突如其來的暴風雨，或是耀眼的晨光，
我們都會欣然接受。雷鳴、寒冷、酷熱、微風，
在無盡的變化中，我們輕鬆地發現彼此的美麗。
從迷惑我們方向的輕柔薄霧，到幫助我們理解彼此的強烈狂風，
你就是氣候，我會一直牽著你的手。

這是我們無法預測的天氣預報……
我們變幻莫測的光芒……
