**Am I be the darkness day**  
16 Aug. 2025

Woke up this morning, saw the sun on your face  
A perfect blue sky, without a single trace  
Of the clouds I carry, the storms I bring  
Every single day, I hear the thunder sing

You are the sunny day, always bright and free  
But I am just the rain cloud hanging over thee  
I'm so sorry for the darkness, the sadness that I bring  
I try to hide my weather, but it's a never-ending thing

Remember that moment, when your laughter filled the air?  
I wished I could bottle it, without a single care  
But my own shadow crept in, and turned the light to gray  
I saw your smile falter, and I had nothing to say

You are the sunny day, always bright and free  
But I am just the rain cloud hanging over thee  
I'm so sorry for the darkness, the sadness that I bring  
I try to hide my weather, but it's a never-ending thing

I wanna let you go, so you can finally shine  
I know my gray skies are tangled up with mine  
I can't keep you here, caught in this storm of mine  
Maybe a little distance is the only way to find...

You are the sunny day, always bright and free  
But I am just the rain cloud hanging over thee  
I'm so sorry for the darkness, the sadness that I bring  
I try to hide my weather, but it's a never-ending thing

I'm so sorry...

## 我是黑暗的日子嗎

今早醒來，看到陽光照在你的臉上  
湛藍的天空，沒有一絲  
我攜帶的雲朵，我帶來的風暴  
每天，我都聽到雷聲的歌唱

你是陽光燦爛的日子，永遠明亮自由  
而我只是籠罩著你的一朵雨雲  
我為我帶來的黑暗和悲傷感到難過  
我試著隱藏我的天氣，但這永無止境

還記得那一刻，你的笑聲響徹雲霄嗎？  
我多想把它裝進瓶子裡，無憂無慮。  
但我的影子悄悄潛入，將光染成灰色。  
我看到你的笑容漸漸消逝，我無話可說。

你是陽光燦爛的日子，永遠明亮自由  
而我只是籠罩著你的一朵雨雲  
我為我帶來的黑暗和悲傷感到難過  
我試著隱藏我的天氣，但這永無止境

我想放開你，好讓你最終閃耀光芒。  
我知道我的灰色天空與我的糾纏在一起。  
我無法將你困在我的風暴中。  
或許，保持一點距離才是唯一的出路。

你是陽光燦爛的日子，永遠明亮自由  
而我只是籠罩著你的一朵雨雲  
我為我帶來的黑暗和悲傷感到難過  
我試著隱藏我的天氣，但這永無止境

我很抱歉...
