

Dark Pop × 80s Synthwave × Trip-Hop Ballad, 84 BPM  
**See the sky** 16 Aug, 2025

Waking up to gray skies, the clouds have come to stay  
Blocking out the light that shone on us yesterday  
The heavy drops of rain, a rhythm on the pane  
Reflecting all the sorrow, the worry, and the pain

But after every cloudy day, the sun will find its way  
And after every season's end, a brand new start is made  
Through all the pouring rain, we'll stand side by side  
For we know that sunshine will always follow the tide

Remember the bright mornings, when the world felt so alive?  
We laughed without a reason, just happy to survive  
That feeling of warmth, it's never truly gone  
Just waiting on the other side of every single dawn

'Cause after every cloudy day, the sun will find its way  
And after every season's end, a brand new start is made  
Through all the pouring rain, we'll stand side by side  
For we know that sunshine will always follow the tide

We've faced the fiercest storms, walked through the darkest nights  
But every single moment has led to new-found light  
So don't lose heart, don't let your spirit break  
There's a beautiful horizon for us all to take

After every cloudy day, the sun will find its way  
And after every season's end, a brand new start is made  
Through all the pouring rain, we'll stand side by side  
For we know that sunshine will always follow the tide

The sun... is coming out...

Genki Creation

## 看這個天空

醒來，天空灰濛濛的，烏雲密布  
遮蔽了昨日照耀我們的陽光  
淅淅瀝瀝的雨滴，在玻璃窗上留下韻律  
映照著所有的悲傷、憂慮和痛苦。

但陰雲密布的日子過後，陽光總會找到方向  
每個季節的結束，都是一個嶄新的開始  
在傾盆大雨中，我們依然並肩而立  
因為我們知道，陽光總是會隨波逐流。

還記得那些明媚的早晨，世界如此生氣勃勃嗎？  
我們無緣無故地歡笑，只為生存而感到快樂。  
那種溫暖的感覺，從未真正消失。  
只是在每個黎明的彼岸等待。

因為陰雲密布的日子過後，陽光總會找到方向。  
每個季節的結束，都是一個嶄新的開始。  
無論風雨如何，我們都會並肩而立。  
因為我們知道，陽光總是會隨波逐流。

我們曾面對最猛烈的風暴，走過最黑暗的夜晚  
但每一刻都引領我們走向新的光明  
所以不要灰心，不要讓你的精神崩潰  
我們每個人都有美麗的地平線。

陰雲密布的日子過後，陽光總會找到方向  
每個季節的結束，都是一個嶄新的開始  
無論風雨如何，我們都會並肩而立  
因為我們知道，陽光總是會隨波逐流。

太陽出來了...
