The weather love
16 Aug, 2025

Sun is shining, bright and clear
Another perfect day is here
With you right by my side, my dear
Every moment, free of fear

The sky can turn from blue to gray
The rain can wash the light away
But your hand is still in mine to stay
Making everything okay

Whether skies are blue or turning gray
My love for you will never fade
Through the sun and through the rain
I'll love you just the same

We'll dance in the sunlight
We'll kiss in the storm
In your arms, I'm forever warm

The thunder rolls and lightning strikes
But in your eyes, I see the lights
We're huddled close on rainy nights
And everything just feels so right

The city's sleeping, soft and low
As raindrops start to fall and flow
Watching all the people go
Our love is the only thing I know

Whether skies are blue or turning gray
My love for you will never fade
Through the sun and through the rain
I'll love you just the same

We'll dance in the sunlight
We'll kiss in the storm
In your arms, I'm forever warm

Some days are easy, some are tough
But with your love, it's more than enough
We'll weather any storm we face
Lost in time, and lost in place
With you right here
My heart's at ease

Through the sun and through the rain
My love for you will still remain
Through the sun and through the rain
I love you just the same
I love you, my darling
Forever and a day

天氣之愛

陽光燦爛，晴朗明媚
又是一個完美的一天
親愛的，有你在身邊
每一刻，都無所畏懼

天空可能由藍變灰
雨水可能沖走光明
但你的手仍握在我手中
讓一切都好起來

無論天空是蔚藍還是灰暗
我對你的愛永不消逝
無論陽光還是雨露
我都會一如既往地愛你

我們將在陽光下翩翩起舞
我們將在暴風雨中接吻
在你的懷抱裡，我永遠溫暖

雷聲滾滾，閃電劈波斬浪
但我在你的眼中，看見了光芒
我們在雨夜緊緊相依
一切都感覺如此美好

城市沉睡，輕柔低沉
雨滴開始飄落，流淌
看著所有人離去
我唯一知道的，就是我們的愛

無論天空是蔚藍還是灰濛濛
我對你的愛永不消逝
無論陽光還是雨露
我都會一如既往地愛你

我們將在陽光下翩翩起舞
我們將在暴風雨中接吻
在你的懷抱裡，我永遠溫暖

有些日子很輕鬆，有些日子很艱難
但有了你的愛，就夠了
我們將挺過任何風暴
迷失在時間裡，迷失在地點裡
有你在身邊
我的心安寧

無論陽光雨露
我對你的愛始終如一
無論陽光雨露
我依然愛你
我愛你，我的愛人
直到永遠
